# Point-to-Point

**at Lockinge on Easter Monday**

**In support of the Thames Valley Air Ambulance**

Held at Lockinge Point-to-Point Course near Wantage, this Easter Monday family favourite is easily accessed from Newbury, Oxford, Swindon and the surrounding areas. Listed in Tatler Magazine's 4 Smartest Point-to-Points, it provides a range of opportunities to display your branding or showcase your products during the day via sponsorship, hospitality, advertising or trade stands.

The Point-to-Point audience is a refined mirror of jump racing at large, attracting a 70% ABC1 demographic of largely affluent rural land and property owners.

The gender balance is fairly equal throughout this family activity and, in contrast to much of horseracing, is centred around the efforts of horse and rider rather than betting.

#### **The Farmers Bar**

The Farmers Bar is a cash bar hosted by members of the OBH and is there primarily to provide a venue for supporters of the day and the hunt. It provides the opportunity for a local business to show their support for the local community and traditionally any sponsorship goes towards providing some complimentary drinks to those judged by those behind the bar to deserve a drink.

#### **Car Passes**

Complimentary car passes are sent to 350 landowners and farmers in the Old Berks Hunt Country, which includes a large part of South Oxfordshire, West Berkshire and East Gloucestershire, owners of the horses entered, parents of children in the 2 Pony Races and Trade Stands. The back of the hanging car passes provide an advertising opportunity.  
Sponsorship in kind or tenders from £500 will be considered.

#### **The Viewing Stand**

A viewing stand was a successful introduction in 2023. Situated close to the official's marquee, it is primarily there for those who have connections to the race, either through sponsorship or to those riding, or who merely want a good view of the course and the final bend. Entry is not restricted.  
Benefits of sponsorship will include:

- Branding to the back of the stand.
- Complimentary full page advert in the Race Card.
- Listing in the 'Major Sponsors' section of the website.
- 2 complimentary passes to the event.

Tenders for this package from £500 and above will be considered. Sponsorship in kind will also be considered.

#### **Hats and Gilets for the Staff**

Branded hats and gilets for the officials on the day, including those car parking and selling raffle tickets.  
Sponsorship in kind or tenders from £500 will be considered.

#### **Signage for the Car Park**

The car park includes extensive signage for the car park rows and each sign can carry the sponsors details.  
Tenders from £1,500 will be considered.

#### **The Big Screen**

The big screen was introduced in 2024 and proved to be very popular. In addition, there will be smaller screens in the main bar and the Farmers Bar. These will show live all the races and provide greater coverage of the various sponsorships. As well as sponsors being able to use the big screen to provide more coverage and information, there is the opportunity for a sponsor to sponsor the big screen and get regular coverage.  
Tenders from £1,500 will be considered.
